

Yard2Kitchen Facts

- WHAT**
- A new company that helps homeowners enjoy healthy organic produce, herbs, and fruit, fresh-picked from their own backyard
- HOW**
- Y2K builds, installs, and maintains raised bed gardens, available in 3 sizes to suit any size property.
 - Y2K will customize each planting plan to meet the client's unique cooking, entertaining, health and family needs.
 - Y2K applies the most up-to-date scientific principles to ensure maximum yield from every square inch of soil.
 - Customizable maintenance plans allow clients to be as involved as much – or as little – as they wish. Y2K will even harvest the vegetables if desired.
- WHERE**
- In NJ, Y2K currently services Essex, Bergen and Monmouth Counties.
 - In NY state, Y2K currently services Rockland and Westchester Counties.
- WHEN**
- Y2K offers 3 full seasons of gardening: Spring, Summer, and Fall.
- WHO**
- Founded by 4 NJ residents: a landscape architect, a professional gardener, a certified health coach, and a yoga teacher.
- WHY**
- There's no easier, more convenient way to serve your family fresh organic produce – it's as local as you can get!
 - Save money compared to buying the same amount of organic produce from the grocery store.
 - Kids will learn that vegetables don't "grow" in supermarkets.
